

Tri-Lakes Home Builders Association

A new licensing law was signed in 2007, with the effective date of June 1, 2008.

On the following pages, you will find information in regards to:

- New licensing laws and how they will affect the licensed builder and the non-licensed builder.
- New requirements for getting AND keeping your license.

(Click here) [Q&A's on the Licensing Laws](#)

- What trades need a license.
- What is the difference between a licensed builder and a maintenance & alteration contractor.

(Click here) [Trades that Require a License](#)

- New rules for Qualifying Officers of corporations, LLC's, or partnerships.

(Click here) [Qualifying Officers Rules of 2008](#)
